1. Learning site navigation
 - a. Use the options available in the main header bar to navigate the Learning site.
 - b. Return to cap.org by clicking on the **CAP logo**.
2. Search - For a quick search, type a key word into the **search** box and press enter.
3. Featured learning – review the four featured learning products.
4. Learning by profession – click the **View All >>** link to browse learning opportunities by profession.
5. Key areas in pathology – review the key areas for pathology section for hot topics in pathology.
6. Help / FAQ – visit the Help/FAQ page to review instructions on how to navigate the learning site.
7. Additional resources – review the additional resources available on the Learning Home page.

Learning Search

The screenshot displays the Learning Search interface. At the top, there is a navigation bar with links for 'ABOUT THE CAP', 'CONTACT & SUPPORT', and 'LOG IN'. Below this is a secondary navigation bar with 'Learning Home', 'Learning Search', 'In-Progress Learning', and 'Learning Transcript'. A search bar is located in the top right corner (1). The main content area features a 'LEARNING SEARCH' header and a search bar (2). Below the search bar, there is a 'Refine Results By' sidebar (3) with options for 'Credit Type (4)', 'Number Of Credits (3)', 'Level (3)', 'Delivery Format (4)', and 'Topic (16)'. The search results list (2) shows a result for '2014 CPIP-J Case 10 - Transfusion Medicine - Massive Transfusion Protocols in Obstetric Hemorrhage (SAM eligible)' with a 'Register' button. A detailed view of this result (3) shows the following information:

Credit Type:	CME, SAM
Duration:	1 hour 15 minutes
Launch Date:	October 20, 2014
Expiration Date:	October 19, 201 ...

(more)
Credit(s): 1.25 Credit(s) CAP - CME/SAM

2014 CPIP-L Case 12 - Hematology – Plasma Cell Myeloma (SAM eligible) Register »

1. Search by key word – type a key word in the **search by text** box and press enter.

2. Search filters – use the search filters along the left column to narrow your search results, click on the + button to expand the filter options.
3. Search results – click on the **course title** or the **Register** button to view the full course description.

In Progress Learning

The screenshot shows the 'In-Progress Learning' page. At the top, there are navigation links: 'ABOUT THE CAP', 'CONTACT & SUPPORT', 'Hello, Theresa', and 'LOG OUT'. Below this is a header with 'COLLEGE of AMERICAN PATHOLOGISTS' and navigation links: 'Learning Home', 'Learning Search', 'In-Progress Learning', and 'Learning Transcript'. A red box labeled '1' highlights the 'MY IN-PROGRESS LEARNING' section. Below this, there is a list of activities. A red box labeled '2' highlights the first activity: 'UAT Pharmacogenomics Applied: HLA-B*5701:01 Testing: Its Use as a Genetic Screening Test to prevent Abacavir Hypersensitivity Case Study (SAM eligible)'. A red box labeled '3' highlights the 'x' icon next to this activity. Below the activity title, there is a detailed description including release and expiration dates, a description of the activity, credit type, duration, launch date, expiration date, pricing, and MOC category. Below the details, there are two more activities listed: 'UAT Methods in Pharmacogenomics Testing and Clinical Applications (SAM eligible)' and 'UAT Basic Concepts in Genetics (SAM eligible) - PGX', each with an 'x' icon.

1. In Progress Learning – the In Progress Learning page displays your current registered activities currently that have not been completed. Visit this page to **start** or **resume** a learning activity.
2. Start / Resume an activity – Use the + button to expand and view a brief description. To start or resume an activity, click on the **activity title** link. The activity details page displays the full activity description; click the **Resume** button to begin the activity.

3. Cancel an activity – click on the **X** icon to cancel an activity. The cancel action will remove you from this activity. If you cancel in error, you will have to re-enroll in the activity.

Learning Transcript

The screenshot shows the 'MY LEARNING TRANSCRIPT' page. At the top, there are navigation links: 'ABOUT THE CAP', 'CONTACT & SUPPORT', 'Hello, Steven', and 'LOG OUT'. Below this is a secondary navigation bar with 'Learning Home', 'Learning Search', 'In-Progress Learning', and 'Learning Transcript'. A large blue box with the text 'MY LEARNING TRANSCRIPT' is highlighted with a red box and labeled '1'. Below this, a paragraph explains the transcript and includes a callout '4' pointing to a document icon. A red box labeled '5' highlights the 'Add My Own Activity' button. A red box labeled '2' highlights the date filter section, which includes 'FROM: 11/30/2012', 'TO: 3/2/2015', and a 'Filter by date' button. A red box labeled '3' highlights the 'Award' icon in the rightmost column of the table. The table has columns: 'Activity Name', 'Provider', 'Credit', 'Amount', 'Completed', 'Location', and 'Activity Learning Format'. The table contains four rows of activity data.

Activity Name	Provider	Credit	Amount	Completed	Location	Activity Learning Format
UAT CAP Prostate AP3 Practical Assessment Part C - Version 1.1: Needle Biopsy Cases 5 – 8	College of American Pathologists			2/10/2015	Online	Learner-Pace Activity
PIP-C 2013: Performance Improvement Program in Surgical Pathology		CME	10.00 Credits	11/15/2013		Enduring Material
PIP-B 2013: Performance Improvement Program in Surgical Pathology		CME	10.00 Credits	8/9/2013		Enduring Material
PIP-A 2013: Performance Improvement Program in Surgical Pathology		CME	10.00 Credits	5/17/2013		Enduring Material
PIP-D 2012: Performance Improvement Program in Surgical Pathology		CME	10.00 Credits	1/31/2013		Enduring Material

1. Learning Transcript – your learning transcript contains information regarding your completed activities including the activity name, credit type, number of credits, and completion date. There is also a link to download your award certificate.
2. Sort Columns – click on the **column header titles** to sort by the selected column.
3. Download Award Certificate – in the far right column, click on the **award** icon to view, download, and print your award certificate.
4. Generate Report – use the **Print Report** link in the upper-right corner of the table to create a printable transcript. Select the information you want to include in your report. You may also save an electronic copy of your report using the print as pdf option.
5. Add Self Reported Learning – use the **Add My Own Activity** link to add completion information for any activity from other learning providers.
